

# Rail Nation PTR Community Guidelines

Last revised: June 29, 2023

## Welcome to the Rail Nation PTR!

Our PTR gameworlds and Discord channel offer you a platform to enter interesting discussions with other players and Rail Nation team.

You have come to the right place if you want to discuss your ideas with others, are looking for information or help, or can provide assistance to others.

These community guidelines form part of the [Terms & Conditions](#). By registering each user accepts these community guidelines as well as [Terms & Conditions](#) and undertakes to observe them, especially Section §11.

### 1. General behaviour

We want the PTR gameworlds and Discord channels to be a place of constructive discussion where we all work together as a team to improve and test the game by providing valuable feedback and discussing it. That's why we value civilized debate, unconditional respect towards each other and a general spirit of team work and collaboration.

In addition to what already stated in [Terms & Conditions](#) the following behaviour is **not tolerated**:

- Spamming, swearing and insulting. A discussion platform provides a nice environment only if there is a polite and respectful atmosphere.
- Excessive/repeated posting of similar texts. Posts should only be posted in one channel and one language
- Impersonating staff, including posts in which the user points out that someone is breaking the rules.
- Threads or posts created with the purpose of advertising web pages or products that have no relation to Rail Nation or other games by Travian Games GmbH.
- Posting material which could be considered as illegal or as copyright violation by the international law.

### 2. Posts and topical relevance

Please attempt to provide an objective line of argumentation when replying. Try to stick to the discussion topic.

Phrase your opinion in an understandable way and take into account the arguments of other users. Unverifiable accusations or suspicions should not be posted.

Constructive criticism is welcome if it's written in a respectful and factual manner and supported by relevant arguments.

### **3. Warnings and bans**

Any account violating Terms and Conditions or these community guidelines may be warned, banned or deleted by staff members depending on the severity of the infraction inflicted on these rules.

### **4. Non disclosure agreement**

On the PTR we are testing content that is not yet released on the live servers.

To avoid spoiling content for players who decide not to test on the PTR, it's **not allowed** to share PTR specific information outside of the PTR game worlds, or the PTR Discord. The Rail Nation team reserves the right to delete any attempt to share information about PTR content elsewhere and suspend associated accounts if deemed necessary.

PTR specific information includes but is not limited to game content, discussions, surveys or graphical assets.

### **5. Moderation**

Moderators make sure that the community guidelines are being followed.

For questions about a ban, please contact the involved moderator by private message.

**Remember:** The PTR Discord is not moderated by Rail Nation live support, but by the developers of Rail Nation themselves. Therefore, it can take longer than 24 hours until a question or message is answered.

### **6. PTR Gameworlds**

The Rail Nation Team reserves the right to interrupt the PTR Game Worlds at any time without notice and without compensation to any player for maintenance, break down, restart, time advance or otherwise modify or influence the normal flow of play for testing purposes.

### **7. External links**

Bright Future/Travian Games are not liable for the content of external links.

Liability lies solely with the owner of the web page in question.

It's unreasonable for the provider to regularly check the content of linked content.

If we become aware of violations of external links, they will be removed. Until then, users click on links at their own risk.

### **8. Organizational matters**

The Rail Nation team reserves the right to change the guidelines at any time.
